NEWS ALERT

Gradient Scientist to Give Workshop at Annual ACE Meeting

Gradient scientist, Julie E. Goodman, Ph.D., DABT, will be presenting a workshop at this years' Annual Meeting of the American College of Epidemiology (ACE): Novel Methods at the Intersection of Epidemiology and Policy-Making. The annual ACE meeting will be held September 12-15, 2009, at the Crowne Plaza Hotel, Silver Spring, Maryland. Dr. Goodman's workshop, Epidemiology and Risk Assessment, will be held on Sunday, September 13th from 8:30am – 12 noon. We hope to see you there!
